

International Travel Expenses

Applicable on top of preferred service package:

1. Travel fee

P8,000/travel day/head

- Usual headcount is 2 — makeup artist and hairstylist.
- Applicable on non-working, transit days.

2. Baggage Requirements

- 40kg for makeup artist, 30kg for hairstylist.
- To avoid check-in problems at the airport, we require only Philippine Airlines, AirAsia, Korean Air, ANA, Singapore Airlines, Emirates, Etihad, Thai Airways or any airline that allows multiple pieces of luggage as our carrier. Cebu Pacific does NOT allow flying with multiple pieces of luggage despite heavier luggage allowance.

3. Accommodations

- Separate, single rooms are highly recommended, especially if your preferred hairstylist is male.
- We do not have to stay in the same resort as you, but we highly recommended housing us in the nearest possible resort/hotel for faster and easier logistics. Accommodations to and from your hotel, as needed, are shouldered by client.

4. Flights & Transportation

- Flights may be booked by the client/event coordinator or myself. Ticket prices and fees will be sent to client for approval and must be reimbursed within 24 hours of booking.
- All transfers and transportation to and from the airport, lodging, event preparations, ceremony, reception must be shouldered and coordinated by client/event coordinator/hotel management.
- Travel insurance is required and shouldered by client.

5. Meals

- All meals are provided by client.
- If meal allowance is preferred, cost per meal is determined based on the destination and must be paid in local currency. Some estimates:
 - For USA, meal allowance is \$20/meal.

NICOLE CEBALLOS

make up artist

- For South Korea, meal allowance is KRW20,000.
- For Thailand, meal allowance is THB400.
- Breakfast is typically packaged with the room, so meal allowance usually only covers lunch and dinner per day.

Special rates and arrangements may be negotiated for fly-out destination weddings. Please send me an email to explore your options:
